ABOUT US

What is the RISE Climate & Wine Symposium?

RESILIENCE, INNOVATION, SUSTAINABILITY, EMPOWERMENT

RISE is a changemaking symposium designed to accelerate sustainability and climate action, empower wine industry leaders to grow resilience and business longevity, and leverage our powerful platform to galvanize aspirational change in the global industry and beverage market.

THE EVENTS

This is a different kind of convening - a series of six half-day, tightly focused events organized around the Six Pillars of Sustainable Winegrowing Leadership. The third RISE Symposium is April 29-May 1 and May 6-8, 2025 at the Charles Krug Carriage House.

Each RISE event includes:

- Mentorship -OR- Show & Tell Workshop
- Breakfast Networking Hour
- Marquee Address
- Tough Questions: Roundtable Discussion/Debate
- Lunch & Wine

AND the events are just the beginning. Dedicated facilitators and mentors will follow-up with participants to provide direct support, tools and funding strategies to transition opportunities to reality.

LEADERSHIP

“

If not here, where? Napa County sets a global standard for wine quality and we need to also set the highest bar for sustainability and climate action leadership.
